FREQUENTLY ASKED QUESTIONS

Q: HOW DO I KNOW EXACTLY WHAT AND HOW TO RECYCLE?

A: [HOW2RECYCLE](#) INCLUDES EXCELLENT INSTRUCTIONS IN THEIR "LABELS" SECTION

Q: HOW DO I KNOW WHAT MY LOCAL RECYCLING OPTIONS ARE

A: RESEARCH AND CONTACT YOUR LOCAL CENTER, OR [CHECK I WANT TO BE RECYCLED](#) FOR MORE INFORMATION

SOME KEY FACTS:

Glass never wears out -- it can be recycled over and over again.

Recycling glass reduces air pollution by 14-20% and saves 25-32% more energy

Recycling one glass bottle saves enough electricity to light a 100-watt bulb for four hours.
